City's Pet of the Week: Pepper (A236056)

Pepper is our adoptable pet of the week! We thought Pepper had found her forever home when she was adopted as a kitten but she just came back to us when her family was having difficulties. She was a bit confused about her change in circumstances but is putting on a brave face and trying to move on with her life. Do you have a space in your heart for a full-figured gal? She weighs 16 lbs. but that just means there is more to love! Pepper is used to being a house cat and is now 5 years old.

This loving "furbaby" is currently ready to meet her "forever" family. **Please refer to the ID number listed above when visiting the website.**
